ATTY. RONALD A. ORTIZ
Deputy Administrator
Land Registration Authority
East Avenue corner NIA Road
Quezon City

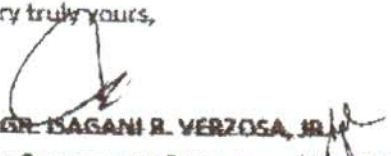

Dear Atty. Ortiz,

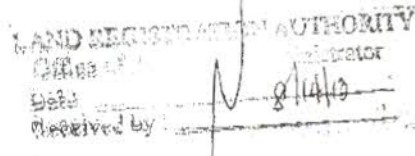

This is in relation to your letter to this office, dated 31 July 2013, wherein you mentioned the availability of the Parcel Verification Service ("PVS") in all of the computerized Registry of Deeds nationwide. You also pointed out that through this service, the requesting party may now get system-generated print-outs of their parcel / lot configuration.

May we respectfully request that this office be furnished with a sample copy of the "PVS" print-out for us to determine if information contained therein can be a valid replacement for the lot plan required by the National Building Code for building permit applications?

Thank you and we look forward to coordinating more with your office to further streamline the processes in obtaining a construction permit in Quezon City.

Very truly yours,

ENGR. ISAGANI R. VERZOSA, JR.
