In our effort to keep you updated on Meralco's Terms and Conditions of Electric Service, we would like to inform you of Refund of Bill Deposit Due to Good Payment Record.*

The bill deposit is an amount required from customers of distribution utilities as a guarantee for payment of electric bills. It is equivalent to your average monthly electricity bill and earns interest at a rate prescribed by ERC. The bill deposit may be refunded in full if you have been consistently paying your monthly electric bills on or before the due date for the past three (3) years.

We would like to thank you for consistently paying your bills on or before the due date. As a good paying customer, we are pleased to present to you the following options regarding your bill deposit:

Option 1: Refund the bill deposit in full, including accrued interest.

If you prefer this option, kindly accomplish the application form at the back of this letter and submit it to the nearest Meralco Business Center together with the necessary documentary requirements.

Please be informed, however, that as prescribed under the rules of the Energy Regulatory Commission (ERC), a bill deposit previously refunded in full prior to the termination of service may be re-imposed if the customer fails to pay the monthly bill on or before the due date. Further, once the bill deposit is re-imposed, the customer loses the right to refund the same prior to the termination of his/her electric service. As such, we encourage you to continue paying your bills on or before the due date to maintain your good credit standing and avoid having your bill deposit re-imposed.

Option 2: Retain the bill deposit with Meralco to continue earning interest in accordance with the existing rules of the ERC.

If you prefer this option, Meralco will defer collection of the additional deposit should your existing bill deposit fall below the required amount as long as you continue to pay your bills on or before the due date. On the other hand, should the bill deposit go beyond the required amount, the excess amount will be credited to your electric bill.

For your reference, below is the breakdown of your bill deposit as of February 18, 2015:

Bill Deposit	₱	120.05
Plus: Interest Earned	₱	0.10
Total Bill Deposit	₱	120.15

Please disregard this notice if you have already claimed your bill deposit refund.

For inquiries, you may call the refund hotline at 632-8888 or the nearest Meralco Business Center. Thank you for giving us the opportunity to be of service to you.

Sincerely,

MERALCO

*Refund of bill deposit due to Good Payment Record is in accordance with the Energy Regulatory Commission's Magna Carta for Residential Electricity Consumers and the Distribution Services and Open Access Rules (DSOAR).
