PROJECT

REPEAL

The Philippine **Red Tape** Challenge

08 December 2016

Guillermo M. Luz, Private Sector Co-Chairman

project.repeal@competitive.org.ph

"You're the backbone of the economy, kid. Now get out there and create some jobs!"

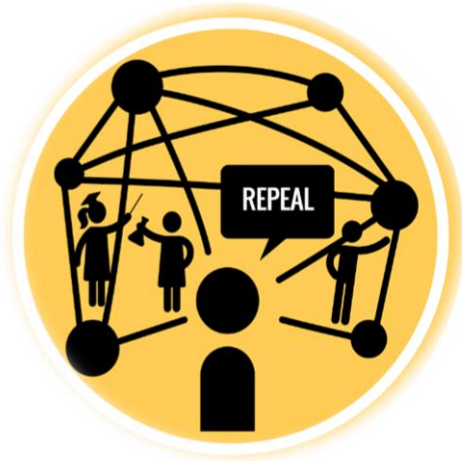

RATIONALE

- Consumers and Businesses are saddled by too much regulation
- Regulation happens at Executive, Legislative, Local Government levels
- Laws date back to Commonwealth period and includes PDs from Martial Law era
- Multiple layers of laws, rules, regulations
- Are they all necessary or relevant ?

STRATEGY

**Crowdsource
Proposals**

**Establish
Repeal System**

**Cut
Regulatory Cost**

OBJECTIVES

Reduced cost of compliance for people and businesses; savings for the economy, measured in PhP Millions annually

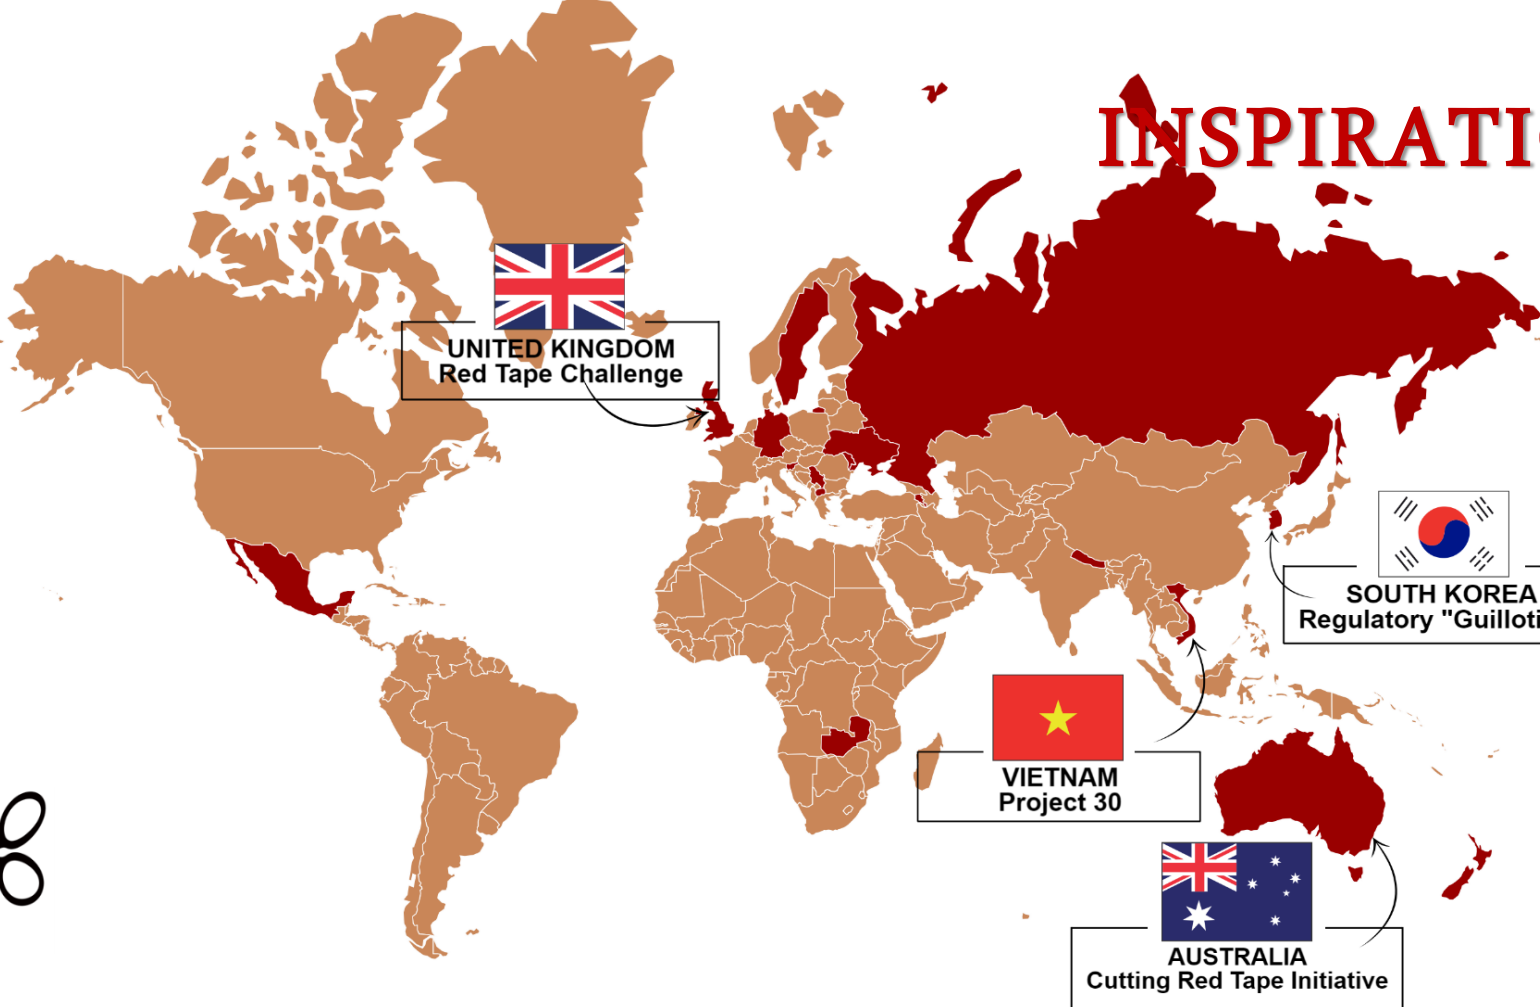

PRIORITIZATION

- Executive Department Orders/Circulars
- Executive Orders & Administrative Orders
- Legislation
- LGU Ordinances

INSPIRATION

■ Countries with similar Initiatives:
Macedonia | Moldova | Zambia | Armenia | Slovenia | Mexico | Serbia | Russia | Germany | Ukraine | New Zealand | Nepal | Sweden | Moldova

UPDATES

British Government and NCC Partnership

The NCC's Project Repeal has been awarded a sum of £17,969 equivalent to ₱1,125,043.82 [exchange rate as of 01-03-04:£1- ₱62.61] to assist the Philippine Government to cut red tape in the business environment through the development of the Standard Cost Model over a 5-month period. A Ceremonial Signing of Project Repeal Grant Contract with the British Embassy Manila was held in August 4, 2016

UPDATES

Technical & Research Collaboration with CHED Sectoral Engagements Grant under the K-12 Program Unit

CHED K to 12 Transition Program Management Unit has committed to partner with Project Repeal thru the Department of Trade and Industry on their Instruction, Research and Sectoral Engagement (IRSE) Grant.

UPDATES

Technical & Research Collaboration for the Development of the Philippines Standard Cost Model

The partnership with the Philippine Institute for Development Studies (PIDS) is a strategic move for that will establish a multi disciplinary research for the development of the Philippines Standard Cost Model.

UPDATES

Civil Service Commission and Project Repeal Partnership

The Project Repeal Team together with National Competitiveness Co-Chairman, Mr. Guillermo Luz met with Chairman Bala for the interface of Project Repeal and CSC'S Anti-Red Tape Act.

Initial agreement is for Project Repeal to help facilitate the simplification of procedures in different agencies participating in Project Repeal. MOU between NCC and CSC is now being drafted

UPDATES

Project Repeal Partnership with Leading Higher Education Institutions and Professional Organization in the Philippines

To ensure the multi-disciplinary feature of Project Repeal research researches supportive of its regulatory reform initiatives, NCC is pursuing a partnership with leading higher education institutions in the country to include: Ateneo de Manila University, UP National College of Public Administration and Governance, the Philippine Society for Public Administration, De La Salle University, Manila, De La Salle University Dasmariñas and the Polytechnic University of the Philippines

PROJECT REPEAL UPDATES

Development of the Philippines Standard Cost Model based on the UK Standard Cost Model

The Development of the Standard Cost Model is a breakthrough initiative for Project Repeal. It is a method for determining the administrative burdens and/or unnecessary burdens imposed by regulation. First to be done in the PH. The PH Standard Cost Model will be based on UK Standard Cost Model. UK Experts is arriving soon to conduct Capacity Building Programs for Project Repeal Implementing Agencies re: Development and Use of SCM

An approval was also to use the Mercatus Regulatory Cost Model as additional reference materials for the SCM development was also secured.

Series of Consultative meetings with the private sector partners and government agency implementers will be conducted in December 2016 through January 2017. Launching of the SCM will be done on February 2017

PROJECT REPEAL UPDATES

Proactive Engagements with the Senate Committee on Trade, Commerce & Entrepreneurship

NCC and the Senate Committee on Trade, Commerce and Entrepreneurship work together in the drafting of the proposed EODB Bill. The Final Report of the NCC on Project Repeal shall form part of the Repealing Clause as Annex B and shall have repealed, amended or modified accordingly the laws, executive orders, decrees, rules and regulations specified in the said Final Report.

Prioritization of the GEO Bill (Senate Bill No. 348)

Pushing for the passage of the Comprehensive Amendments to the Anti Red Tape Act of 2007

Commitment from the Committee to help facilitate the repeal and/or amendment of all laws submitted to Project Repeal
