

NATIONAL
COMPETITIVENESS
COUNCIL | PHILIPPINES

MS. MARINA N. SALDANA

Program Officer

National Competitiveness Council

The National Competitiveness Council was born out of the collective desire of the **government** and the **business sector** to jointly address competitiveness.

It is a **public-private sector body** tasked to build up the long-term competitiveness of the Philippines:

- Policy reforms
- Project implementation
- Institution-building
- Performance monitoring

- Promote a more competitive Philippines and instill *a culture of excellence* through

PUBLIC-PRIVATE sector collaboration
as a means to REDUCE POVERTY THROUGH
INCLUSIVE GROWTH

“ALAM NYO NA BA?”

Discovering Government e-services

OBJECTIVES

- To increase level of awareness and promote understanding of the various government programs and services, i.e. online services
- To increase number of private sector using e-services (application, payments, filing)

OUTPUTS

- Better understanding of the usage and benefits of online services
- Identify challenges and opportunities through public/private discussion to further improve agency service to reduce process
